

# YOUR PPG

What's the Peel Medical Practice **PPG**?

It's the **PATIENT PARTICIPATION GROUP**

and **YOU** are a part of it!

The PPG has a committee that meets the Peel staff monthly.

We talk about what patients and carers are happy about, and what they think might be done better.

We are *your* voice, but we can only speak for you if we know what you are pleased about or would like to see changed.

## **PATIENT PARTICIPATION GROUP**

Every patient and carer who gives their contact details to the practice belongs to the group unless they let the practice know they'd rather not be included.

**Email is the easiest way to get in touch with your PPG  
at**

**[peelppg@gmail.com](mailto:peelppg@gmail.com)**

If you'd like to know more about your PPG, go to the practice website and click on the **Patient Group** heading.
