

# Charity Pamper Hampers Drop off point

The hampers are donated to people in the local community and around the Tamworth & Lichfield area who may not receive a Christmas present, need some TLC or have had a life changing situation.

In the past hampers have been donated to The Women's refugee, Lichfield Pathways, Homestart, Tamworth Cancer Centre, Tamworth Pantry & St Giles Hospice, Changes Tamworth and Tamworth CIC to name a few.

The hampers include items that you can associate with hygiene, cleanliness, and make you feel pampered which raises a recipients self esteem.
